

DRAPERY STREET

WINDOW PLANNER

Welcome to Drapery Street, where your distinct style comes to life in custom window treatments. Our helpful window planner helps walk you through the steps to creating window treatments as unique as you are.

Let's get started!

Are you measuring a window or a door?

Window:

- Casement/Double Hung
- Window
- Arch Window
- Bay Window
- Two Story
- Other _____

Door:

- Interior
- Exterior
- Single door with glass
- Sliding patio door
- French doors

TIP:

Have multiple windows & doors?

Simply complete a measurement sheet for each window or door you are measuring.

HunterDouglas *Gallery*[®]

Room Details Checklist

TIP:

Be sure to bring pictures of your windows or doors and the room you are decorating.

- Photos of your space and the window area
- Photos of the furniture pieces you plan to use in the room.
- Paint swatches or samples of other fabrics in the room

My Project Notes

| <input type="checkbox"/> Master Bedroom | _____ |

Paint Color (If Available) and Vendor

Welcome to Our Design Workshop!

Our design process has been carefully crafted to make certain that every client is thrilled with his or her purchase. Let's get started!

Be Inspired

- Collect Style Samples - Start by gathering sample rooms from magazines or web sites that appeal to you, look at Drapery Street Pinterest, Houzz etc
- Window Shop - Browse our full-size drapery panels and Hunter Douglas Gallery displays to see what styles you are drawn to
- Consider Your Style - The style collection that most appeals to me is:

Traditional Classics

Refined, graceful style based around traditional fabrics such as solids, toile, checks and stripes

Modern Essentials

Crisp, light, bright and airy, featuring clean lines & geometric patterns

Eclectic Finds

Unique, fun fabrics based upon freedom of expression, individuality, and a lighthearted style

Grand Archives

Classic fabrics updated with a modern twist, ideal for the transitional-style minded

Be Creative

Select Your Fabric Type

Your fabric selection helps tell your home's story and each material offers benefits and unique qualities.

The style that appeals the most to me is:

Breezy Sheer:
Denotes an airy, simplistic style. Perfect for layering under other fabrics.

Available in Neutral Colors
Minimal Light Filtration

Sensual Silk:
This fabric has an elegance that can't be denied. Add instant glamour with silk.

Available in Multiple Colors
Moderate Light Filtration

Casual Cotton
Comforting and cozy, this fabric provides a casual chic style to any home.

Available in Multiple Colors
& Patterns - Strong Light Filtration

Natural Linen:
Soft yet durable, projecting a natural, well loved finish to your home.

Available in Multiple Colors & Patterns - Ideal for Privacy - Strong Light Filtration - Strong Insulating Properties

Playful Patterns:
From modern geometrics to classic checks and stripes, patterns bring life to any room without feeling too busy or overdone.

Consider Your Fabric Length

Your drapery length can help convey the mood you want to set within the room. Which option feels right to you?

- Clean & Streamlined?
Choose panels that simply graze or break on the floor
- Relaxed & Welcoming?
Plan to add a few inches of fabric to your panels.
- Luxurious & Lavish?
Plan to add more fabric to your panels
-

Select Your Level of Customization

Select the best option for your time frame, budget & design vision.

- Ready to Drape - *Immediate Gratification*
Best for:
- Quick Turnaround (expect same day to 1 week)
 - Affordable Design Budgets
- Made to Measure - *It's the Details that Matter*
Best for:
- Projects that don't require a quick turnaround (expect 4 to 6 weeks)
 - Those who want to incorporate special trim & other unique details to their drapes
 - Moderate Design Budgets
- Bespoke - *Completely Custom*
Best for:
- Projects that don't require a quick turnaround (expect 2-3 months)
 - Those who desire a completely custom, one of a kind window treatment
 - Ample Design Budgets
-

Be Confident

Window treatments pack a double punch by adding beauty to a room while serving practical purposes. Answer these questions to help us dial in on the right choices for you:

Insulation-Energy Efficiency:

How important is it for your window coverings to help control heating and cooling?

- Very Important
- Important
- Less Important

UV Protection

How important is it that your window coverings protect your interior furnishings from fading?

- Very Important
- Important
- Less Important

Privacy:

What level of privacy do you require for your room?

- Complete Privacy & Room Darkening - Diffuse light and reveal no outside detail. You cannot see out nor can anyone see in
- Moderate- Diffuse light and reveal little outside detail. Can see out during the day but have privacy during the day
- Not Important - Reduce glare and show outside detail. At night, inside of room will be seen from outside

Sound Absorption:

Should your window coverings help control exterior noise or absorb interior sound?

- Yes
- No

TIP:

If privacy is a factor, consider Darkening Blackout Lining- Best suited for rooms where complete light filtration is required, Ideal in bedrooms, nurseries and media rooms

Be Unique

Throughout the design process, our end goal is to deliver window treatments that are stunningly perfect and uniquely yours. Your custom window treatments are sure to be a highlight of your home.

We can't wait to be of service to you!
